

Marquette University - Annual Expense Worksheet

Use the cost information listed on the Award Information Guide website when completing this worksheet. Refer to your Financial Aid Notification to complete section B of this worksheet. Figures in sections A and B are likely to be fixed amounts, and figures in section C can vary. A personalized Expense Worksheet will be available when financial aid has been processed. You can view your personalized Expense Worksheet in CheckMarq by clicking the “Expense Worksheet” link on the Financial Aid Quick Link tab.

Keep this for your personal records. Do not send it to Marquette University.
