The student listed below is applying to join the Upward Bound Programs at Marquette University (MUUB). We seek recommendations from a teacher and a guidance counselor at the school the student attends to ensure that we are admitting the best students to our program.

MUUB is operated under grants from the US Department of Education, and our ultimate goal is to prepare students to enter and complete post-secondary education. Everything we do is at no cost to the student's family. We offer many services, including: school visits at high schools; state and national college tours; cultural trips; a six-week summer program during the months of June and July; tutoring; UB academic classes during the Fall and Spring, and academic advising. The questions on this recommendation will help us assess the students' willingness and ability to attend all services offered as well as to learn more about their academic ability. We appreciate your honest and candid answers to all questions, and all information on this form will be held in confidence.

Please email or this recommendation form to ub@marquette.edu or mail to: Marquette University EOP Pre-College Division P.O. 1881, Milwaukee, WI 53201. If you have any questions, please contact our office using the contact information listed in the header of this form.
