

SECTION 11

Periodic Program Review

Periodic program evaluation will include both an academic quality and resource review based upon the guidelines of the [Academic Program Review Policy](#).

1. Initial review will be conducted under the guidance of the Academic program review policy and will include both an academic and resource review:
 - The review will include:
 - Academic quality as per program review guidelines.
 - Review of enrollment performance in comparison to projections.
 - Review of budget performance in comparison to projections.
 - An assessment of the new program projected financial performance and ability to continue to meet or exceed the enrollment and financial projections.
 - Meeting parameters of sunset clause.
2. Periodic reviews
 - Conducted under the guidance of the Academic Program Review Policy.
 - Except for initial review, normally conducted in conjunction with the scheduled review of the instructional unit offering the program.
 - Ongoing resource reviews will be conducted in conjunction with the scheduled review of the instructional unit offering the program. Review will include both resource and enrollment performance.
 - Special program reviews will be conducted at the direction of the Provost.
3. Discontinuation of Program

Programs identified during periodic or special reviews as not achieving desired academic quality, enrollment projections or financial goals will be considered for termination.
