Lifesavers Training

All student organizations are required to attend the Lifesavers training. This 1.5 hour session is facilitated by Counseling Center staff to learn the warning signs for suicide risk and discuss helping skills and ways to support someone in distress. At least one member of the E-Board must attend. Sessions have a maximum capacity, so sign up in advance is required. If your organization is sending multiple people, each member needs to sign up individually. Note: there will be sessions offered in the spring semester for orgs unable to attend the fall dates.

- Monday, October 20 from 4:00-5:30pm in AMU 163
- Thursday, October 23 from 4:00-5:30pm in AMU 252
- Sunday, October 26 from 4:00-5:30pm in AMU 157

Every organization is required to send a member whether or not members have previously received this training. It is strongly encouraged to send a member who has not received this training.

Storage Closet Applications

There is a limited amount of storage closet space that has become available. The Office of Student Engagement is re-opening applications for student orgs to apply for space. We have a very limited number of closet space available so applications will be reviewed based on need. Deadline to apply is October 17. Please note that submitting an application does not guarantee closet space.
