

Resources Application

Marquette P.I. Name _____ Department _____

Project Title:

Project Description and Estimated # of Subjects:

Project Timeline (Start/End, Important Timepoints):

Please complete the following tables to provide an outline of the AHPRC rooms and equipment that you are interested in using for your project. A quote for services used will be provided based on this application so please be as detailed as possible.

1 _____

Rooms			
AHPRC Room (e.g. 125A Assessment Lab)	Time Per Session (Min)	Frequency (Days/Wk)	Duration (i.e. weeks, months, years)

Research Equipment			
AHPRC Equipment (e.g. Biodex)	Time Per Session (Min)	Frequency (Days/Wk)	Duration (i.e. weeks, months, years)

Please list any other AHPRC amenities you plan on using during your project (e.g. washer/dryer, kitchenette, sample storage refrigerator, etc):

Please note any additional questions or concerns about using the AHPRC research space for your project:

Resources Application

Please list all internal and external faculty collaborators on the study, including their department (or institution, if external) and email address:

Will you need a formal letter of support for the AHPRC to serve as a study site for this project?

YES NO

Marquette P.I. Signature _____ Date _____

Thank you for your interest in the world-class facilities and resources at the Athletic and Human Performance Research Center.

Please send the completed resources application to Dr. Mike Haischer (Research Lab Manager; michael.haischer@marquette.edu). Your application will be reviewed and the AHPRC team will get back in touch within two weeks. If you need a letter of support, please allow at least 4-6 weeks to discuss and formalize support details.
