

AHPRC Website Student Commentary Application

Marquette students who are interested in writing a commentary for publication on the [AHPRC website](#) (**that is relevant to the mission and goals of the AHPRC**) are encouraged to submit an application using this form to outline the topic and central theme. The commentary can feature recently published and emerging information on topics such as: *Exercise, nutrition, aging, health disparities, etc.* The commentary should be written in the student's own voice on the new information. This application will be reviewed by AHPRC research staff within 10 days. If approved, the final version of the write-up must be submitted within two (2) weeks from the date of acceptance.

Guidelines:

- The commentary must be 350 words or less (not including references)
- Include a relevant image that can be published without copyright issues
- 2-3 summary bullet points that encompass the main message of the commentary
