

2025 Tragil Wade-Johnson Summer Reading Program

at Marquette University's Hartman Literacy and Learning Center

Dear Parents/Guardians,

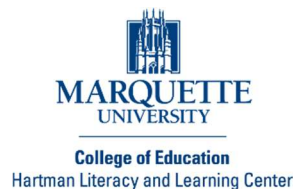

We're recruiting students for participation in the 2025 Tragil Wade-Johnson Summer Reading Program at Marquette University's Hartman Literacy and Learning Center!

This program is free for children and their families. Eligible children will be entering 2nd, 3rd, or 4th grades. We accept children who need extra reading help and who can *attend daily during the four weeks* of the summer program. **See schedule on back.** The program begins daily at 9:00 AM and ends at 12:30 PM. Children will participate in daily reading and hands-on science while enrolled in the program.

Children will need to be present in the Hartman Center, located in 151 Schroeder Complex at 560 N. 16th Street, by 9:00 AM Mondays – Fridays and picked up by 12:45 PM on program days to participate in this program. A healthy snack and lunch are provided to all children in the program. Children who are absent for three or more days may be removed from the program.

Parents will be notified by email if their child is accepted into the program. Every year we have more applicants than we can serve in the Summer Reading Program. Due to the popularity of our program, some children may be placed on the waitlist. If spaces open in the program, children on the waitlist may have an opportunity to join the Summer Reading Program.

Complete the online permission form to have your child assessed and considered for placement in the 2025 Tragil Wade-Johnson Summer Reading Program. in the 2025 Tragil Wade-Johnson Summer Reading Program.
