

MARQUETTE UNIVERSITY GRADUATE SCHOOL INTER-UNIVERSITY EXCHANGE COURSE APPROVAL FORM

This form is to be completed by current Marquette University graduate students seeking to take a course through the UWM, MCW, or Catholic Schools Consortium exchange program.

1. Return completed forms to gradrecords@marquette.edu for Graduate School approval.
2. Once approved, the Graduate School will notify you and register you for the appropriate place-holder course in CheckMarq.
3. Students are responsible for registering for the partner institution's course. Contact information and registration instructions are available at mu.edu/grad/inter-university-exchange.php.

NOTE: Courses at partner institutions may run later than MU courses. Be aware that if you take a course at another institution during your final term, your graduation will likely be delayed.
