

## READINESS FOR HOSPITAL DISCHARGE SCALE – RN POSTPARTUM FORM ©

Please check or circle your answer. Most of the responses are on a 10-point scale from 0 to 10. The words below the number indicate what the 0 or the 10 means. Pick the number between 0 and 10 that best describes how you feel. For example, circling number 7 means you feel more like the description of number 10 than number 0 but not completely.
