

MARQUETTE UNIVERSITY

Office of the Provost

MEMORANDUM

TO: Academic Deans and Department Chairs
FROM: Sarah B. Feldner, Acting Provost (signed)
DATE: February 24, 2025
SUBJECT: Promotion and Tenure Calendar Deadlines for 2025-2026

Promotion and tenure are critical to the future of this University. Tenure represents an investment by the University in its faculty and constitutes a property right once conferred upon a faculty member. It is imperative that promotion and tenure be marked by close attention to substance and process. This document contains the Promotion and Tenure deadlines for those who will be considered for promotion and /or tenure in 2025-2026.

Academic units will annually review their written Promotion and Tenure standards and procedures for both professor and associate professor. The standards should encompass all the elements that are taken into consideration when Promotion and/or Tenure decisions are made. There should be no *de facto* or unwritten standards used in evaluating candidates. All criteria that enter into the decision-making process should be clearly spelled out in the department and/or college/school official document. Additionally, it would be helpful to address the standards that are used to determine Promotion and Tenure decisions for those who are not time bound.

Deans or department chairs must provide a copy of the unit's Promotion and Tenure document to persons on the department and college promotion and tenure review committee(s) and to each candidate who will be considered for promotion and/or tenure in 2025-2026.

Instructions for the Promotion and Tenure Process for Regular Faculty, Instructions for Promotion of Participating and Emeritus Faculty, and Instructions on Hiring at Advanced Rank are located at: [Promotion and Tenure Guidelines](#)
