YOU DO NOT NEED TO BE IN CORE HONORS PROGRAM TO APPLY

Requirements

- Apply spring of Junior year; must be enrolled at Marquette all senior year
- MATH 1700H/PSYC 1700H is encouraged
- PSYC 2050H is highly recommended
- Cumulative GPA of 3.000 or better
- Identifying a psychology department faculty mentor

- PSYC 4954H: Honors Psychology Research Seminar
 - 2 credits x 2 semesters = 4 credits*
- PSYC 4956H: Honors Advanced Undergraduate Research
 - 1 credit x 2 semesters = 2 credits*

*Can count towards psychology elective credits

4

What to Expect in Honors in Psychology

- Meet individually with research mentor (PSYC 4956H): develop individual research project and may work in research lab
- Meet for weekly seminar (PSYC 4954H): support in preparing proposal and completing project, professional development, and cohort support
- By the end of fall semester: submit proposal
- By the end of spring semester: submit final research paper and present poster 1-2 times

5

Independent Research

- Build on the skills learned in PSYC 2050(H)
- Match with faculty member's research interests
- Develop proposal
- Collect data or use previously-collected data
- Write up results
- Prepare and present poster at department poster session

6

CURRENT PROJECTS

7

Admission

Applications will be due **Wednesday, March 18th by 5:00 pm.**

Answer the following questions. Each answer should be approximately 200-300 words. Admissions decisions will be made in part based on the answers to these questions.

- (1) Describe your research experience, including your experiences in PSYC 2050/PSYCH 2050H. How have these experiences influenced your scientific development?
- (2) Why do you want to complete an Honors Project? How does this fit with your academic and career goals?
- (3) Identify faculty member(s) who might serve as your honors advisor. You may list more than one person. Please be sure to discuss this with them prior to submitting your application. An e-mail from the faculty member indicating her/his agreement to serve as an honors project advisor is strongly encouraged.

Please submit an unofficial copy of your Marquette University transcript.

8

Admission

- Admission is not guaranteed by meeting the requirements
- Admission is also determined by the number of faculty members available to supervise research projects
 - It is critical to get a faculty member's approval **before** applying
- Decisions will be made before registration for Fall courses – which begins April 7th

9

Research Opportunities

- How do you find a research lab?
 - Faculty Research Labs webpage
 - Email faculty member and ask for a research assistant (RA) application
 - PSYC 4956 credit
